Kearney to Grand Island 50 miles	Camping
Grand Island to Hastings 25 miles	Hiking
	Gravel road

- ### Birdwatching Etiquette
- Use designated viewing sites to watch the birds, respecting private property. Most land in the Platte River valley is private.
 - Don't attempt to approach birds on their roosts or as they feed in the fields.
 - Weather conditions can change rapidly on the great plains during late winter and early spring. Plan accordingly by bringing attire that is suitable for cold temperatures.
